

The FAA Safety Team presents:

The IIMC Threat: Avoidance and Survival Session at HAI HELI- EXPO 2016

Inadvertent flight into instrument meteorological conditions (IIMC) continues to be one of the leading lethal threats to helicopter pilots and their crew and passengers. Despite advances in aircraft and avionics, we continue to suffer IIMC-related fatalities year after year. This session will look at the unique aspects of IIMC and why it continues to claim so many lives. IIMC survival methods based on a safety management system approach, including training, crew resource management, policy suggestions, and survival techniques, will be discussed.

This course is offered at the HAI Rotor Safety Challenge at HELI-EXPO 2016. These sessions are FREE to all HELI-EXPO 2016 registered attendees and exhibitors. Attend at least six Rotor Safety Challenge sessions at HELI-EXPO 2016 and receive a certificate of recognition for completing the 2016 HAI Rotor Safety Challenge.

Take the Safety Challenge in three simple steps:

Select safety sessions to attend from the HAI Rotor Safety Challenge Schedule. To see the full Safety Challenge schedule, visit <http://www.rotor.com/takethechallenge>.

Event Details

Tue, Mar 1, 2016 - 09:30 EST

Kentucky Exposition Center

937 Phillips Ln

South Wing C

Louisville, KY 40209

Contact: Anne Nevel

(703) 683-4646

education@rotor.org

Select #: EA2565126

Representative Anne Nevel

At the conclusion of each session, receive an official token from the room monitor or presenter.

Once you have earned at least six tokens, drop by the HAI Safety Committee Booth on the show floor, turn in your chips to a committee member, and immediately receive a certificate of recognition.

For more information and questions contact HAI at 703-683-4646, education@rotor.com, or visit: <http://www.rotor.com/takethechallenge>.

Directions: South Wing C

A message from the National FAASafety Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
